The department is introducing service delivery standards for the processing of applications under the *Mining Act 1992*. The target processing time for applications, other than grant and renewals, is 30 business days.

In order to efficiently process applications, a new process has been implemented that includes 'stop the clock' provisions. The processing clock starts when a complete application, including all required supporting material is received. Processing is complete when the applicant is notified of the result of the decision. For further information on stop the clock events please refer to www.resourcesandenergy.nsw.gov.au/miners-and-explorers
