

Public comment response template to Discussion Paper: Maintenance of Competence for Practising Certificates

Please send submissions by email to consult.minesafety@industry.nsw.gov.au
Submissions must be received by the due date of Monday 1 February 2016.

Andy Honeysett

South/Western District CFMEU

Responses to discussion points

1. Is the proposed model for the MOC scheme suitable for application for practising certificate holders in NSW?

yes

2. Are the areas of competence and their topics suitable and cover the areas adequately?

yes

3a. Are the types of formal and informal learning with their maximum claimable hours suitable?

yes

3b. Is the percentage split between the minimum number of formal hours (66%) against a maximum of 33% for informal hours appropriate?

yes

4. Are the numbers of learning hours for each practising certificate and areas of competence appropriate to maintain competence a) per year b) over five years?

Yes, we believe so.

Yes, we believe so.

5. Are the requirements for certificate holders in the MOC scheme reasonable and practical?

Yes, we believe so.

6a. Are the record keeping requirements for certificate holders to satisfy in the MOC scheme

Yes, we believe so.

6b. Are the governance processes proposed by the department adequate to ensure compliance with the MOC scheme by practising certificate holders?

Yes, we believe so.
