

REPORTABLE INCIDENTS | WHS MINES LEGISLATION

Weekly incident summary

Published 30 September 2015

Note: While the majority of incidents are reported and recorded within a week of the event, some are notified outside this time period. The incidents in this report therefore have not necessarily occurred in a one week period. All newly recorded incidents, whatever the incident date, are reviewed by the Chief Inspector and senior staff each week and summarised in this report. For more comprehensive statistical data refer to our [Annual Performance Measures Reports](#).

Reportable incidents total

Level 1 incidents	Level 2 incidents	Level 3 incidents
33	5	0

Note: Incidents are categorised as Level 1, 2 or 3 according to the seriousness of the incident, with 3 being the most serious.

Injuries	Fatalities
14	0

Reportable incidents overview

Note: While all incidents are investigated, generally only level 2&3 incidents are summarised below.

Level	Incident type	Summary	Comment
